

THE RESURRECTION

WEEK TEN

Your PDF reflection pages are private and always your own. Community questions are shared at the end of the month and are completely optional

When have you experienced an ending that felt final, only to later see it differently?

How do you respond in seasons of loss, uncertainty, or waiting?

What does renewal mean to you—does it look like restoration, or something entirely new?

Where might you be holding onto what was, instead of allowing space for what could become?
