

THE BEGINNING

COMPLIMENTARY WEEK

Your PDF reflection pages are private and always your own. Community questions are shared at the end of the month and are completely optional

Where in your life are you currently in the beginning—even if it doesn't feel new yet?

How does structure show up in your daily life, and where might it be missing?

What feels more like a painful process you should honor and not rush through?

If your life were unfolding in intentional stages what stage do you feel you're in today? Why?
